

Dear WestlakeFamilies,

I have great news—we've teamed up with Champions® to provide families of K-8th graders with after-school programs! Champions will be conveniently located at the below listed schools starting this fall.

Save your child's spot by registering at
www.discoverchampions.com.

Upon enrollment, all students will be placed on a waitlist. Students that have been referred to the **ASES Grant** program will have priority access and a space for them will be reserved. If you're part of ASES, all Champions program costs will be covered by the grant and **free to families**. Once you've been approved for the ASES grant, we'll remove your child from the waitlist and your registration will be secured.

Champions safe and accredited programs have a proven track record of offering top-notch programs for over 30 years and counting. **Plus, they partner with our school to extend the learning your kids are doing here each day.** When your child enrolls, they'll get extra STEM learning, literacy, arts, exercise, and more.

Your kids will love Champions programs because they'll ...

- **Get social** time with friends
- **Enjoy freedom** and independence to learn the way they choose
- **Feel supported** by teachers who foster their curiosity and support them through challenges
- **Be nourished** with healthy snacks that are included in tuition
- **Finish homework** and get help with school projects

Registration is open now at discoverchampions.com, and space is limited. **Our school office doesn't handle registration, so please contact the Champions Family Support team at 800-246-2154** or email them at ChampionsHelp@kc-education.com with any questions.

I hope many of you will take advantage of this new partnership that supports your whole family!

Sincerely,
Liz O'Neill/Principal
