February 12, 2021

Room 1 - 3rd Grade

All the third graders in Room 1 are celebrated as students of the week. I'm so proud of all the hard work you've done so far. I appreciate your sharing and participation in class. I appreciate how kind and thoughtful you are to each other. I so enjoy hearing the wonderful stories you've created. There is so much creativity and individuality in your thoughts and writing. I look forward to the time when we can continue our learning in person but until then I look forward to seeing your smiles each morning in our zoom classroom.

Room 2 - 2nd Grade

Raymundo Montalvo and **Josselyn Ulloa** are our students of the week. I am proud of both of them for hanging in there and working through the ups and downs of technology and connection issues. We are always happy to see them, when they are connected our class is complete and our learning discussions and lessons are better. I am proud of both of you for not giving up!

Room 5 - 3rd Grade

All the students in my class are students of the week! Since day one, Room 5 students have been so respectful, hardworking, and patient. Even though learning from home has been challenging, they continue to be such independent, tech-savvy, and enthusiastic learners. I am so proud of how self-reliant they have become, and how flexible they have been in navigating all the new technology tools. They continue to impress me with their creative writing, discussions on reading, math strategies, and ideas. I am so proud of my students! Keep up the excellent work!

Room 6 - 3rd Grade:

Khatan Algahim: Khatan comes to Virtual Classroom regularly. He is very eager to share his math skills. He even helped us solve division word problems, and we've just started learning about division!! Khatan is new to Westlake this year, and he is a welcome addition to our class.

Room 7 - Kindergarten:

I want to congratulate **All My Tiger Cubs**. Room 7 you are my students of the week. Every tiger Cub has done their very best work from the first day of school. I would also like to congratulate **All My Parents**, without their support I would not have had so much success this first half of the school year. Each day I come to zoom class looking forward to seeing the beautiful faces of all my students. Room 7 brings much joy and happiness and there is never a dull moment on zoom.

Room 8- 2nd Grade

Lilly Joseph is Room 8's Student of the Week. Lilly is a very sweet girl. She is respectful and kind to her classmates. Lilly enjoys participating in games on Zoom. We are lucky to have her in our class.
